

Access Report: Promotional Sales Report

Type

Single Store

Setup

N/A

Description

This report is an item-by-item listing of all sales of promotional items by date range or sale ID.

Search Criteria

Date Range
Sale ID

Additional Information

Promotional items will be excluded from this report, even if they are assigned to a sale and sold:

1. When the price is manually overridden on the Invoice screen.
2. When the sold price is equal to or greater than the promotional price.
